

SKETCH FOR SURVIVAL JUNIOR

2024

KAUNAS ANTANAS MARTINAITIS ART SCHOOL
Thank you for supporting Sketch for Survivaljunior.

Sketch for Survival raises awareness about endangered species and threatened wild spaces through art. Thanks to your support, participation, and passion, it also contributes vital funds to conservation - half a million dollars to date, supporting specific conservation projects across 30 different countries.

This year there were more than 5,000 entries in the junior category. A new record!

69 schools entered from 19 different countries including Lithuania, Vietnam, France, New Zealand, Romania and Trinidad & Tobago.

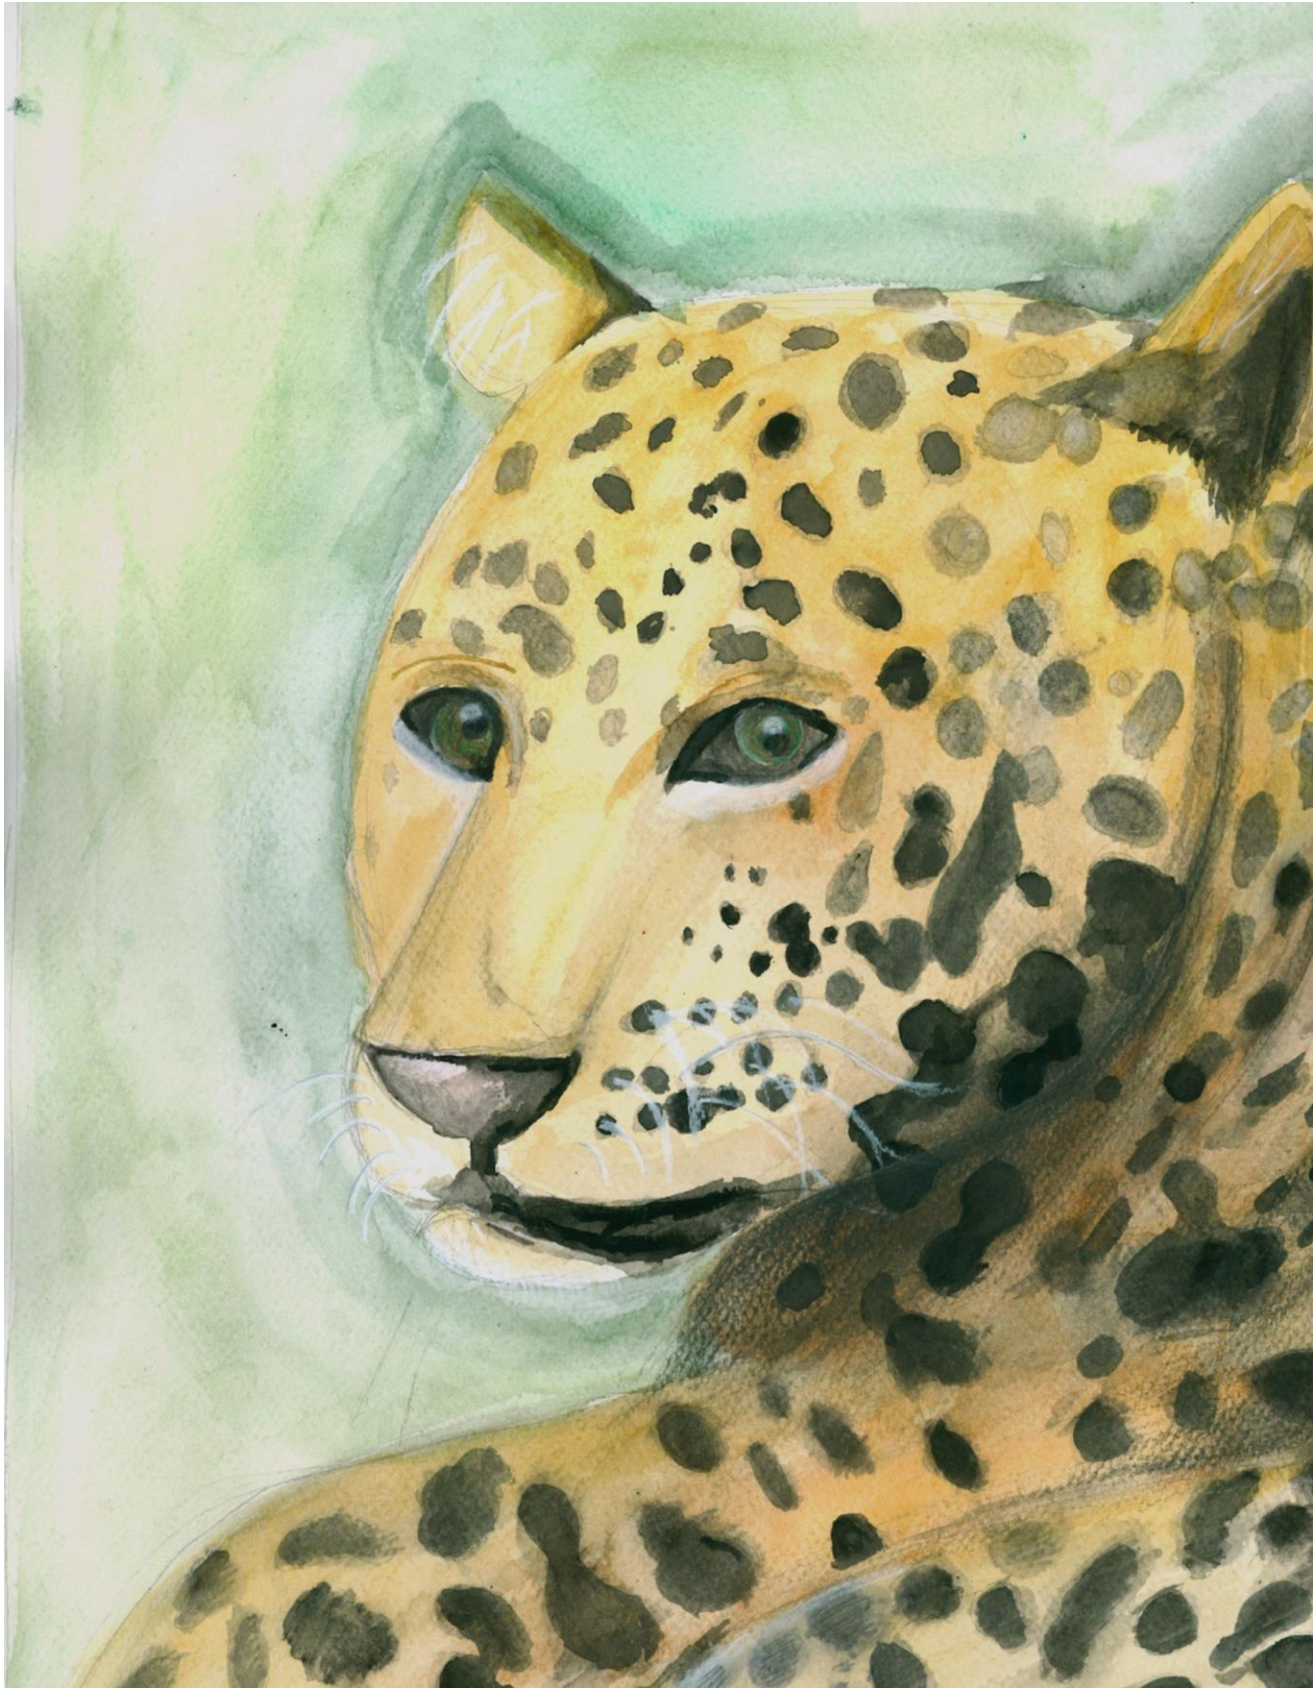

Here is a record of your school's entries. Look out for a rosette, awarded by our selection panel to their favourite artwork.
